

ONE WEEK TO SAVE A LIFE!

ONE WEEK TO SAVE A LIFE is a great opportunity for all student lead organizations to make a difference and earn important hours while doing so!

WHAT DOES THIS LOOK LIKE AT MY SCHOOL? Just three simple steps:

- 1** We will provide you with an all-school email to send on the Friday before to let parents and students know of the upcoming event.
- 2** Your student organization will host a table before school, after school or during lunch where they can register for the **American Heart Challenge** by scanning the custom QR code or with the help of a volunteer.
- 3** Lastly, encourage students to complete **Finn's Mission** by using the **AHA Schools App**.

BY COMPLETING FINN'S MISSION:

-  Students learn the lifesaving skill of **Hands-Only CPR!**
-  Earn up to **8 service-learning hours!**

BY EMAILING THE HANDS-ONLY CPR VIDEO TO 10 PEOPLE

-  Students will earn **American Heart Association Graduation Cords!**

PRO TIP:

-  Schedule a week **before** a school break!

DOWNLOAD THE AHA SCHOOLS APP OR VISIT [HEART.ORG/SCHOOLS](https://heart.org/schools) TO GET STARTED!
